“We looked for a property management company with personal service and accessible managers, who would be familiar with us and our home. We have found that in Goode Vacation Rentals. In addition, Brian’s help on a property related issue saved us a lot of money this year.”
~Cary & Kathy Klein, Oceanfront, 5 bedroom, 5 bath, Sea Pines

“Brian and his team have been involved in managing our property since we purchased it in 2000. We have experience with other management companies on the island, but no one delivers the personal service and attention to detail that Goode Vacation Rentals provides.”

FROM OUR GUESTS...

The following reviews are from Flipkey, a subsidiary of TripAdvisor, which is owned by Expedia, Inc. and generates over 32 million monthly visitors on their websites.

“We have been vacationing in Hilton Head for about 15 years. This was our first time renting through Goode Vacation Rentals and I have to say they are the best out of the many rental agencies. From booking to checking in and any questions I may have had before the trip they were so helpful and really cared about making our trip enjoyable. I will definitely be booking through Goode Rentals again.”
~Laura, Centerville, OH

“Accommodations could not have been better. Exceeded expectations and would highly recommend Goode Vacation Rentals. Courteous and professional Staff as well as an honest description of properties available.”
~Travelers from Haines City, FL

“This was our 17th year staying in a property managed by Gigi and her staff with Goode Vacation Rentals and we have never been disappointed. The property they selected for us works well for our family and all the grandkids and having an outside area and a grill really make the cooking duties a lot more flexible and the staff at Goode Vacation Rentals, especially Nellie, are first class and very customer focused.”
