

# ISLAND GETAWAY RENTALS

Island Getaway has established itself as the premier rental company on Hilton Head Island since its inception over 20 years ago.

The company is a past recipient of the prestigious “Chamber of Commerce Business of the Year.” It is with great pride that the company lives up this honor, as no other vacation rental company can claim this distinction. Island Getaway is locally owned and operated which enables management to offer a “hands on” approach. This gives each and every property the care and attention it deserves to effectively maximize return, while maintaining the overall condition of the homes.

Island Getaway continues to distance itself from its competitors through marketing, service, and guest retention. The company’s strategic marketing plan has continued to increase the overall return on investment for its property owners.
